

ALABAMA PROH. LAW IS QUITE AIR TIGHT

Governor Comer Has Approved Most Drastic Measure Ever Enacted By a Legislature.

MONTGOMERY, Ala., Aug. 10.—Governor Comer at 6:30 o'clock yesterday afternoon signed the Carmichael prohibition bill in the presence of Mrs. J. B. Mell, president of the Alabama Division, Woman's Christian Temperance Union, and other women.

An odd coincidence was that Senator Hamburger of Mobile was the only member of the Legislature present. He had gone to the executive office on other business. Senator Hamburger was one of two Senators who voted against the bill and the only Senator who spoke against it.

Under this act it is unlawful to sell or to store any liquids containing more than one-half of one per cent alcohol. Locker clubs are illegal and the possession of a United States internal revenue license shall be considered prima facie evidence of guilt. Truly, Alabama is today a dry State.

The Fuller bill and the Ballard bill are still pending in the House. They are more radical than the Carmichael bill and are designed to aid in the enforcement of the latter. The Fuller bill prohibits any sort of liquor advertising and throws every safeguard around the law. The Ballard bill provides for the impeachment of officers who fail to put the law into effect. Both of these bills will be passed.

The contest over the bill submitting to the people in November an amendment to the constitution excluding liquors from Alabama forever, will come up in the Senate Wednesday. Both sides to the contest claim victory.

Detectives Failed to Appear.

MONTGOMERY, Ala., Aug. 10.—

The Law and Order League detectives who several months ago had warrants against thirty-six alleged violators of the prohibition laws and who were subsequently mobbed because of their activity against the blind tigers, yesterday failed to appear in court when the cases were called for trial. Reports of threats against the detectives have frequently reached the police. The cases were continued until the October term of the court, convictions being impossible without the testimony of these men.

Women on School Boards.

MONTGOMERY, Ala., Aug. 10.—By a close vote in the committee the bill authorizing women to act as advisory members of the school boards in Alabama was reported favorably to the Senate yesterday and went on the calendar. It may come on the third reading today. The bill is fostered by the Alabama Federation of Women's Clubs. It is opposed by some of the ablest members of the Legislature.

Compulsory Education.

MONTGOMERY, Ala., Aug. 10.—The Senate yesterday took up the discussion of compulsory education. Senator Reynolds presenting a bill which he declares will reach the whites but not the negroes. It provides for at least two months of schooling each year for all children from 8 to 14 years of age. A vote probably will be reached today.

Moore's Hotel Has Narrow Escape From Being Burned

HAWTHORN, Aug. 10.—Friday night the nurse girl was arranging the bed-room of Mrs. Y. M. Hulme in Moore's Hotel, when in some way the mosquito net got in the flame of a gas light. In a second the other net and the bedding caught and the room was a flame of fire. Mr. Hulme reached the room in the nick of time, caught up a chemical fire extinguisher in the hall and soon extinguished the flames. In a few minutes more the fire would have been beyond control. The loss was small.

Dr. G. L. Sipprell is located at Moore's Hotel for a few days.

Charles Hulme of Jacksonville spent Sunday with his brother here.

The orange groves in this section which have white fly have developed an abundance of white fringe fungus which seems to attract the eggs of the white fly as soon as deposited on the leaf and destroys them. The fungus appears as white powder on the leaves. The damp weather is conducive to its propagating.

HANDS AND FEET ITCHED 12 YEARS

Suffered Terribly from Eczema which Made Hands and Feet Swell, Peel and Get Raw—Arms Affected, Too—Gave Up Hope of Cure.

USED CUTICURA AND WAS QUICKLY CURED

"I suffered from eczema on my hands, arms and feet for about twelve years, my hands and feet would swell, sweat and itch, then would become callous and get very dry, then peel off and get raw. I tried most every kind of salve and ointment without success, only got temporary relief. As soon as I would leave off using them I would be as bad as ever. I tried several doctors, but took arsenic for two years and at last gave up thinking there was a cure for eczema. A friend of mine insisted on my trying the Cuticura Remedies but, supposing they were the same as other 'cures' I had tried, I did not give them a trial until I got so bad that I had to do something. I secured a cake of Cuticura Soap, a box of Cuticura Ointment and a bottle of Cuticura Resolvent and by the time they were used I could see a vast improvement and my hands and feet were healed up in no time. I used several bottles of Cuticura Resolvent. This was over a year ago and have had no trouble since. I think I am entirely cured. Charles T. Bauer, R.F.D. 65, Volant, Pa., Mar. 11, 1908."

Little Girl of Fifteen Years Sent to State Reform School.

From Wednesday's Daily Sun:

Pearl Davis, a young white girl of Archer, apparently about fifteen years of age, was brought here Tuesday by her parents and given into the custody of Judge Mason to be sent to the State Reform School.

The parents stated to the judge that it was impossible for them to control her, hence they deemed this plan best, for she would repeatedly disobey their commands and was entirely beyond their control.

The girl stated that she would return home, but would not stay there, hence the judge ordered her confined in the county jail and will later have her sent to the State reformatory.
